Smyth & Helwys Publishing, Incorporated, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Because we are blessed with a worldwide community of faith, we easily forget that today's Church was built person by person, congregation by congregation, beginning with Christ's ascension. In this collection of sermons on the book of Acts, William Shiell examines the disciples' efforts as they learned to share the gospel and foster character formation and fellowship. With characteristic insight, Shiell reveals how the resurrection of Jesus and the power of the Spirit disrupted cities across the Mediterranean-and how this message and Power are still capable of "turning the world upside down." Finally, Shiell outlines ways the gospel challenges us as it crosses boundaries and changes lives, revealing our inherited calling to build a church for every people and every generation. Each volume of the Preaching the Word series consists of a collection of sermons preached through a book or books of the Bible. As in other commentaries, the author analyzes and seeks to interpret each passage. But Preaching the Word also exists as a testament to the Word preached, a homiletical commentary unfolding within a community of faith. Thus, this series allows us to approach the letters and histories of the New Testament as the first recipients did: as hearers of God's Word.
